Specific characteristics of the material or service that limit the availability to a sole source/brand product (unique features, function of the item, etc.). Describe in detail why only this source/brand can furnish the requirements to the exclusion of other sources/brands. **Purchase is to renew expired licenses on existing McAfee Firewalls. These specific McAfee Firewalls are mandated by our type accreditation and Program of Record (POR) configuration. Meaning that the McAfee 2150F firewalls and McAfee CC500E Firewall Enterprise Control Center are the only devices we are allowed to use per the Office of Designated Approving Authority (ODAA).**

The requested material or service represents the minimum requirements of the Government.

The material or service must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing. Describe the equipment/function you have now and how the new item/service must coordinate, connect or interface with the existing system. **The renewing of these expired McAfee licenses will re-enable features that are critical to maintaining the mandated Department of Defense cyber security posture. Failure to procure these McAfee licenses will directly result in the elevated vulnerability of Navy cyber systems and exponentially increase the chance of system compromise by external entities.**

A patent, copyright or proprietary data limits competition: **McAfee is the only license brand capable of fulfilling the government's requirement.**

The items are "direct replacement" parts/components for existing equipment. Provide the information about the Next Higher Assembly (NHA)/equipment which the replacement parts are going into (e.g. description, model, part number, Original Equipment Manufacturer (OEM), etc.).

Other information to support sole source/brand name sole source procurement. The rationale must then justify "either" substantial duplication of cost to the Government that is not recovered through competition or unacceptable delays in fulfilling the mission of the agency.

TECHNICAL OR REQUIREMENTS CERTIFICATION

I CERTIFY THAT THE STATEMENTS CHECKED, AND INFORMATION PROVIDED ABOVE, ARE COMPLETE AND CORRECT TO THE BEST OF MY KNOWLEDGE. I UNDERSTAND THAT THE PROCESSING OF THIS SOLE SOURCE/BRAND NAME SOLE SOURCE JUSTIFICATION PRECLUDES THE USE OF FULL AND OPEN COMPETITION.
